HCI Essay Questions

Please answer all four questions.

Questions can be answered in a 200-250 word document, or if you prefer, you can answer the questions in a 3-minute YouTube or TikTok video with the hashtag, #MWUCareerInstitute.

The questions are as follows:

1. What would you like to gain from this program?
2. What healthcare/science career are you most interested in pursuing and why?
3. Describe an interaction you have had with a healthcare professional that influenced your life. Explain.
4. Describe your favorite project from a science and/or medical arts course you have taken.
